

The Heart is a Lonely Hunter
by Carson McCullers

The Boston Globe

[McCullers] writes with a calm and factual realism, and with a deep and abiding insight into human psychology. She does so without an iota of vulgarity and bawdiness, in a manner which many a present day novelist would do well to study.

The Philadelphia Inquirer

Besides telling a good story, the author has peopled it with a small group of characters so powerfully drawn as to linger long in memory
